

## Rubber Schuko plug 2P+TTL 16A IP54 SpeedPRO

16 A

250V

2P+TTL

IP54

IK08

## TECHNICAL DATA

|                        |                                                |
|------------------------|------------------------------------------------|
| IEC-Amperage           | 16 A                                           |
| Voltage                | 250 V                                          |
| Poles                  | 2P+TTL                                         |
| Protection degree      | IP54                                           |
| Impact resistance      | IK08                                           |
| Colour                 | Black                                          |
| Connection system      | Screw connection                               |
| Material               | Rubber                                         |
| Contact material       | Brass (nickel-plated grounding contact)        |
| Wire flexible          | 1-2,5 mm <sup>2</sup>                          |
| Net weight (kg)        | 0.05                                           |
| ETIM 9.0               | EC000242                                       |
| Ball pressure test     | 125°C housings active parts / 70°C other parts |
| Insulating resistance  | 5 MΩ @ 500 Vdc                                 |
| Dielectric strength    | 2 kV                                           |
| Operating temperature  | -5°C / 40°C                                    |
| Temperature resistance | -25°C / 70°C                                   |

## LOGISTICS

Minimum sales unit 1

EAN unit

8429760821472

Quantity inner box 10
