

## Mobile plug 2P+E 16A IP66/67 SpeedPRO

16 A

230V

2P+T

IP66/67

6h

IK08

## TECHNICAL DATA

|                        |                                                |
|------------------------|------------------------------------------------|
| IEC-Amperage           | 16 A                                           |
| Voltage                | 200-250 V                                      |
| Poles                  | 2P+T                                           |
| Protection degree      | IP66/67                                        |
| Hour position          | 6h                                             |
| Impact resistance      | IK08                                           |
| Colour                 | Blue                                           |
| Connection system      | Screw connection                               |
| Material               | PA6                                            |
| Contact material       | Nickel-plated brass                            |
| Wire flexible          | 1-2,5 mm <sup>2</sup>                          |
| Net weight (kg)        | 0.142                                          |
| ETIM 9.0               | EC000140                                       |
| Ball pressure test     | 125°C housings active parts / 70°C other parts |
| Insulating resistance  | >10 MΩ @ 500 Vdc                               |
| Dielectric strength    | 2.5 kV                                         |
| Operating temperature  | -25°C / 40°C                                   |
| Temperature resistance | -25°C / 70°C                                   |

## LOGISTICS

Minimum sales unit 1
